### Description:

A durable spiral notebook and pen set designed for efficient, organized writing. The notebook features a hard cover made from recycled PU and FSC-certified 70g paper with 200 lined pages (100 sheets), complete with date feature for structured notes. Its spiral binding with tear line makes page removal easy, while the pen loop keeps your writing tool within reach. The set includes a matching ballpoint pen, crafted from recycled ABS and equipped with a push-action mechanism for smooth writing in blue ink. Practical and sustainable, this combo is ideal for meetings, conferences, and everyday planning.
